4 Years Straight!!

Snyder Jewelers was voted as **Best Jeweler** in Weymouth in the Weymouth News' Reader Choice poll for the fourth year in a row!

We also received the Silver Award for "Best Jeweler in the Region" for the second year in a row!

Thank you to everyone who voted. We consider it quite an honor to win this award and we will strive to provide you with our "award winning" service for years to come.

Thank you!

Dad's & Grad's

Father's Day is June 21 this year. We have a full inventory of Citizen (light powered) Eco-Drive watches. We

have been carrying Citizen for over 14 years now. We find them to be one of the best watch brands between the \$100-\$500 price range. They offer a 5-year warranty on all their watches. We have metal strap, leather strap and casual canvas strap watches... something for every Dad!

If you really want to blow Dad away this year, consider one of our pre-owned Rolex watches. We currently have several in stock, and all are in excellent condition. All of our pre-

owned Rolex watches have been fully serviced and come with

1-year warranty's. Buying a Rolex pre-owned allows someone else to take the depreciation while you end up with an exceptional timepiece at a much lower price.

As for your graduate a watch is a wonderful gift to send them off to college or the workforce with. We can engrave any message you like on the back and engraving is complimentary for any watch you buy from us.

Other great graduation gifts include:

- * Diamond Pendants or Diamond Stud earrings
- * Pearls - earrings, strands & pendants
- * Colored Gemstones - Sapphire, Tanzanite or Emerald
- * Gold Bracelet - white or yellow gold
- * Silver - bracelets, earrings or necklaces
- * Beachcomber / Expressions bracelets
- * Zable Bead Bracelets

Vacation

As we do every year, we will be closed for the first two weeks of July for our annual summer vacation. As we have explained in the past, the entire jewelry industry basically shuts down for these two weeks every year. That means our suppliers, diamond setter, goldsmith & repair people are all on vacation. It's a perfect opportunity for us to get a little "down time" as well.

If you need special arrangements prior to our vacation, please let us know and we will do all we can to accommodate your request.

Summer Vacation is the first two weeks of July.

**Closed
June 27- July 13
Re-open July 14th**
