5 Years Straight!!

Snyder Jewelers was voted as **Best Jeweler** in Weymouth in the Weymouth News' Reader Choice poll for the fifth year in a row!

We also received the Silver Award for "Best Jeweler in the Region" for the third year in a row!

Thank you to everyone who voted. We consider it quite an honor to win this award and we will strive to provide you with our "award winning" service for years to come.

Thank you!

Dad's Love Watches

Father's Day is June 20 this year. We have a full inventory of Citizen (light powered) Eco-Drive watches. We

have been carrying Citizen for over 15 years now. We find them to be one of the best watch brands between the \$100-\$500 price range. They offer a 5-year warranty on all their

watches. We have metal strap, leather strap and casual canvas strap watches... something for every Dad!

Graduation Ideas

For your graduate a watch is a wonderful gift to send them off to college or the workforce with. We can engrave any message you like on the

back and engraving is complimentary for any watch you buy from us.

Other great graduation gifts include:

- * Diamond Pendants or Diamond Stud earrings
- * Pearls - earrings, strands & pendants
- * Colored Gemstones - Sapphire, Tanzanite or Emerald
- * Gold Bracelet - white or yellow gold
- * Silver - bracelets, earrings or necklaces
- * Beachcomber / Expressions bracelets

* Zable Bead Bracelets

Gold is up again!

We are still buying old gold from our customers. Much of the hype has calmed down about selling gold, but the price is currently as high as ever (\$1210 per ounce at publishing). If you have any old pieces or items that are broken or out of style we are glad to purchase it from you.

Snyder Jewelers is fully licensed and insured in the Town of Weymouth to buy your old gold. We will sort through all of your items and separate them by karat (10k, 14k, 18k) and determine what is real and what is not.

You will be paid immediately for all of your items.

Vacation

As we do every year, we will be closed for the first two weeks of July for our annual summer vacation. As we have explained in the past, the entire jewelry industry basically shuts down for these two weeks every year. That means our suppliers, diamond setter, goldsmith & repair people are all on vacation. It's a perfect opportunity for us to get a little "down time" as well.

If you need special arrangements prior to our vacation, please let us know and we will do all we can to accommodate your request.

Summer Vacation is the first two weeks of July.

**Closed
June 26- July 12
Re-open July 13th**
